

Referral Program

Exclusively for Lovable Marketing Friends & Clients

Did you know Lovable Marketing has a referral program that can put some quick cash in your pocket?! A “referral” applies to any small, medium or large business you think would benefit from the HubSpot platform you know and love.

How it Works:

1. Confirm the company you’re referring isn't already a HubSpot customer, and make an introduction to Carrie Gallagher: carrie@carriegallagher.com.
2. If they purchase any regularly-priced HubSpot product below through Lovable Marketing:
 - They won't pay HubSpot's onboarding fees (yay!)
 - Lovable Marketing will give you **money**, either as a check or invoice credit—your choice! *(See one-time payouts per HubSpot product below)*
